Weinbeschreibung

M-USE is a new type of bottle, created following a project of SUSTAINABLE DESIGN, with light glass, born with a name that embodies various meanings: M-USE recalls, in fact, both the Muse of beauty and art and also the MULTI-USE that can derive after its use, inserting a winning combination of design and the various ways of reusing it, giving it another life.

Speiseempfehlung

We propose to combine it as an aperitif with fruit. It is ideal to accompany sweets and desserts.

Vinifikation

The first phase involves a traditional white vinification, with a brief stop of the must on the pomace to preserve the quality. The natural refermentation takes place in steel tanks at a controlled temperature for 30 days, following the Cha ...
