

Professionally shot bottle images

High Quality – Great Service – Attractive Price

Take advantage of our wine picture service.

We care about photo shooting, design and logistics creating a high-resolution cut out image (400 x 1200 pixel) for direct use for your wine passport and website. At the same time, we assign your picture to the corresponding wine on our winery platform.

Please contact us, and we will be happy to assist you.

Schedule of prices:

- Back and Front (recommended for use in online shop) minimum three bottles 33.50 €
- Only front minimum three bottles 18,50 €
- starting from the 7th bottle, we grant you 1% discount for each extra bottle, maximum up to 20%:
Example: 12 bottles – only front - 12 x 18,50 ./.. 6% discount = 208,68 €
- Surcharge for 1 or 2 bottles - 20%
- Professional photography lighting of the bottles with freely selectable angle
- Special service – upload of your images to the WINE System data base (entered wines with correct order list including data base ID):
We offer data entry and updating by your request and at a marginal charge
- Shipping service: 7,00 € net for each parcel up to 31 kg Germany-wide. Foreign delivery costs are available upon request
- All prices are quoted before VAT
