Silver internationaler bioweinpreis 2015

Weinbeschreibung

Bright red edge with a deep ruby centre. Balanced and structured wine show aromas of black currant, fynbos/garrique, mint and chocolate. Lively pallet shows silky soft ripe tannins with sour cream, ripe fruit, and mocha.

Weingutbeschreibung

Waverley Hills Estate is situated between Tulbagh and Ceres, South Africa, at the foothills of the breathtaking Witzenberg Mountain Range. The fertile Oakleaf yellow clay terrain is impregnated with river stones, resulting in well-drained soils with excellent water holding capacity. All the vineyards are irrigated with pure mountain spring water and are located on a natural watershed area where both the Breede and Berg rivers originate. The area is renowned for its diverse fynbos (indigenous flora), giving our wines a unique herbaceous characteristic. W ...
