Weinbeschreibung

With a label like Rare Earth, this Organic Cabernet Sauvignon truly captures the essence of taking a plant in the earth and turning that fruit into a one-of-a-kind wine. Notes of plum and cherry are perfectly balanced with hints of vanilla and a softly toasted oak finish, which will only leave you wanting more.

Speiseempfehlung

Please invite your friends and family over to enjoy a bottle of Rare Earth Cabernet Sauvignon with some braised short ribs or try it with a charred gruyere burger as the main dish. If the occasion merits, take this bottle with you to a gathering along wit
