Säure:	9,10 g/l
Ausbau:	Edelstahl
Allergene:	enthält Sulfite

#### Auszeichnungen

Gold internationaler bioweinpreis 2016

#### Weinbeschreibung

This quality sparkling wine is quintessentially English. With its pale lemon colour, citrus and fresh herbs on the nose, and a really fresh, crisp lemon and lime palate. Well balanced with a hint of honeyed sweetness, it is ideal for drinking on its own, but with enough crisp acidity for it to go with foods such as smoked fish or light meat dishes.

#### Speiseempfehlung

Ideal as an aperitif, with canapés. Serve with scrambled eggs and smoked salmon, fish and seafood (especially lobster, scallops, trout or crayfish). Also excellent with risottos and light chicken dishes as well as soft English cheeses.

#### Vinifikation
