Weinbeschreibung

Silent Pool Rosé 2015 is an elegant, fresh, classically pink-hued still Rosé wine made from Pinot Noir and Pinot Meunier grapes. On the nose it opens with alluring aromas of strawberry, light cherry and peach followed by flavours of red fruits and pink grapefruit that meld with layers of clean minerality. The wine displays enticing flavours of raspberry, honeycrisp apple and bright citrus on the mid-palate, with balanced acidity and a long finish.
