#### Weinbeschreibung

This wine is the result of a blend of fresh, young wines with a fraction of wines that have been aged during several months in French oak barrels. Its deep cherry red colour also presents a touch of purple which makes it more elegant. Wine legs are abundant when swirling the wine inside the glass. The bouquet is complex, as a result of the combination of fresh and oak aged wines. Thus, the first impression we perceive is the aroma of Merlot, accompanied by very pleasant vani ...
