Weinbeschreibung

This sweet wine comes from the sun-dried grapes of the rare Greek variety Fokiano. Grapes are picked and sun-dried, to raise the sugar levels and after fermentation the wine is aged in French Oak barrels. Deep amber coloured with a complex bouquet of sweet grape, bitter orange, dried apricots and honey. Full bodied and velvety with perfectly balanced acidity and a long finish.

Food recommendation

Mature cheeses, fruit and desserts. Can also be served chilled as an excellent aperitif.

Vinification

harvested grapes left to dry in sun for three days, pressed and fermented in steel vats and matured in oak barrels.
