##### Weinbeschreibung

Pale gold hue color. This wine contains a powerful and expressive nose of green apples, pineapple, butter and dried fruits. It maintains excellent body with clean mineral freshness, fat and butter flavor emerging across the mid-palate. And evolves 'sur une plus grande amplitude' with aeration, gaining tropical fruits and mineral notes from the terroir with a stunning intensity, length and aromatic persistency of dried mangos and apricots. A very complex wine.

##### Food recommendation

Salads, Fresh fruits and cheeses, buttery dishes.

##### Vinification

stainless steel tank
