Weinbeschreibung

This is special edition wine to celebrate the highest natural sugar levels ever recorded at Sedlescombe – a result of the exceptionally dry and warm late summer weather of 2016. This wine has an elegant character with full-on smooth sweetness balanced superbly by exquisite fruity acidity. Quite complex.

Speiseempfehlung

Great with cheeses or most after dinner delights, or enjoy on its own.

Vinifikation

Healthy and botrytised bunches and individual berries separated during hand picking. Juice from botrytised fruit treated with charcoal and then blended with bulk. Healthy 'Pied de Cuvée' bunches picked 4 days earlier. Ferment stopped.
