Auszeichnungen

Silver internationaler bioweinpreis 2017

Weinbeschreibung

This is a Mediterranean style wine made with riper grapes, bigger oak vessels and has a warm character. White tropical fruit flavours are complemented by fresh herb and nutty oak aromas. An aromatic fynbos character gives the wine complexity with a subtle oak influence and lingering fruity aftertaste.

Speiseempfehlung

This wine is a perfect match for rich seafood dishes.

Vinifikation

Standard, organic

Weingutbeschreibung

Waverley Hills Estate is situated between Tulbagh and Ceres, South Africa, at the foothills of the breathtaking Witzenberg Mountain Range. The fertile Oakleaf yellow clay terrain is impregnated with river stones, resulting in well-drained soils with excellent water holding capacity. All the vineyards are irrigated with pure mountain spring water and are located on a natural watershed area where both the Breede and Berg rivers originate. The area is renowned for its diverse fynbos (indigenous flora), giving our wines a unique herbaceous characteristic. W ...
