Auszeichnungen

Silver internationaler bioweinpreis 2017

Weinbeschreibung

Cold climate white wine with a characteristic aroma of elderflower and peach. The wine is full bodied and powerfull. A perfect harmony between alcohol, taste and acidity, gives it a pleasant mouthfeel. The taste lingers a long time in your mouth after swallowing. A fine example of fruit and acidity of the north.

Speiseempfehlung

Perfect for asparagus, fat fish and shellfish. Even meaty dishes like poultry and pork will go nicely.

Vinifikation

Cold climate style, focusing on fresh fruitiness and minerality.

Weingutbeschreibung

Dyrehøjgaard, where the brand RÖS is created, has a hundred year old history as a traditional farm on Roesnaes, but today it is mainly a vineyard. Tom Christensen bought the farm in 2007 and planted the first wine plants in 2008. The first two species were mainly Solaris and Cabernet Cortis and selected in corporation with the Staatliches Wineinstitut in Freiburg, Germany. Today the wine area covers around 7 hectares with approx 23.000 plants being the largest wine producer in Denmark. The main varieties are now Solaris, Muscaris, Johanniter and Souvi ...
