#### Weinbeschreibung

This dry, full-bodied wine has a golden color. In the nose and the palate one can find tropical fruits, such as pineapple and honey melon. They are accompanied by long lasting notes of apricot, vanilla and lemon blossom concluding in a full-bodied finish.

#### Speiseempfehlung

Roasted chicken, white meat, seafood or pasta dishes

#### Vinifikation

Fermentation takes place in small units of stainless steel tanks at 12-13°C, resulting in a long steady and quiet fermentation, producing smooth and round aromas. After fermentation the Chardonnay is kept for four months on the yeast.

#### Weingutbeschreibung

The vineyards for our wines grow in the environment of our boutique winery southeast of Thessaloniki. Behind the sea rises the Olympus with almost 3000 meters height. Our white wine vineyards are located in the Epanomi wine region in a more elevated position and with a milder climate surrounded by the northern Aegean coast.
