Weinbeschreibung

Thanks to natural vinification we have obtained very good, healthy fruit. It allowed us to make wine in CLAYVER ceramic vessel. We have obtained wine with very well preserved fruity. It is wine with rich bouquet composed very interesting experiment with new amphorea for fermenting, elevage and ageing of aroms of forest fruits and cherries. Mouth nicely balanced, fruity ,with good acidity

Food recommendation

wine especially recommended for red meat: pork, beef and venison. Serve at temperature. Serve at temperature 16C.
