Vinification

Local rare Greek Variety. Grape harvest in the beginning of September, typical white wine making at a low temperature, sorting of only the free run grape juice received without destemming, static racking, low temperature of 14°C during the ...

Winery description

At the heart of Laconia's lands, at the 17th kilometer on the national road from Sparta to Gytheio, direction Monemvasia and Mani, one can find the vineyard and winery of George Theodorakakos' family. From this area, according to tradition, nobles from Constantinople were being supplied with wine, via neighbouring Mystras. The first vines were planted at the beginning of 20th Century, from grandfather Nicolas. Today, with over 300,000 sq. meters of private owned vineyard, George Theodorakakos continues to cultivate rare local wine varieties in a t ...
