Acide:	5,80 g/l
Elevage:	Cuve en inox
Allergènes:	contient des sulfites

Prix obtenus

Silver PiGundy Wine Award International 2021

Weinbeschreibung

On a sensorial level Pinot Kors wine is similar to the parental variety Pinot noir. The aromatic profile opens with delicate floral notes reminiscent of rose, and transforms into intense notes of red fruits and spices. The polyphenolic profile is more than excellent for quality, intensity and roundness and for the high anthocyanin content. It is conducive to wines of medium to long refinement period.
