Lagerfähig bis:	1-2 years

Auszeichnungen

Grand Gold WINE AWARD INTERNATIONAL 2022

Weinbeschreibung

This 100% Zibibbo was born in the vineyards crossed by the 12th meridian, the ideal place for the cultivation of vines and the production of quality wines for millennia. This dry Zibibbo is a clear inheritance, being one of the oldest varieties grown on the island, and able to transfer into the wines notes of citrus and floral hints

Speiseempfehlung

It is ideal as an aperitif, excellent with fish dishes, shellfish, sea urchins and oysters

Vinifikation

The fermentation process takes place in stainless steel, at a controlled temperature. The wine ages in stainless steel tanks, on the lees, for 5 months
