Weinbeschreibung

Finca Vasallo is a vineyard located in our village Léecera, at an altitude of 560 metres. A region totally exposed to the sun and the northern wind, the "cierzo", that shapes the character of this land. A wine rich in aromas, color and with a vibrant fruity taste.

Vinifikation

Night harvest to maintain the right temperature of the grapes. Cold pre-fermentation. Stainless steel fermentation with controlled temperature under 26°C. Daily pump-overs to give freshness and structure to the wine.
