Prix obtenus

Silver WINE AWARD INTERNATIONAL 2022

Weinbeschreibung

Valdecastro is a plot planted in the 90s, the first vineyards planted on trellises in our region. Adapted to dry soils and adverse conditions, it shows a Tempranillo born within an extreme climate. Very aromatic wine, with an intense cherry color and an elegant and fresh richness in taste.

Vinification

Maceration before fermentation during 4 to 5 days approximately, under controlled temperature to extract all the colors and aromas of the grapes. Stainless steel fermentation with controlled temperature. Daily pump-overs.
