Maturazione:	Acciaio inox
Allergeni:	contiene solfiti
Temperatura a cui va bevuto il	16°-18° °C

Premiazioni

Silver WINE AWARD INTERNATIONAL 2022

Weinbeschreibung

Valdecastro is a plot planted in the 90s, the first vineyards planted on trellises in our region. Adapted to dry soils and adverse conditions, it shows a Tempranillo born within an extreme climate. Very aromatic wine, with an intense cherry color and an elegant and fresh richness in taste.

Vinificazione

Maceration before fermentation during 4 to 5 days approximately, under controlled temperature to extract all the colors and aromas of the grapes. Stainless steel fermentation with controlled temperature. Daily pump-overs.
