Weinbeschreibung

... On the nose initially fruit and yellow flowers, peach and broom, then mineral notes and honey.... In the mouth an unexpected structure and roundness accompanied by a great freshness and flavor...

Recomendado con el siguiente plato...

Casa Lucii 2021 accompanies sea and land appetizers, saffron risottos, gnocchi, white meat dishes, fish, fresh cheese and many ethnic and exotic dishes where you look for freshness and simplicity. It's also perfect as an aperitif.

Vinification

Soft pressing of whole grapes, cold decantation, fermentation of the must at a controlled temperature. Refinement on fine lees in thermo-conditioned stainless steel and vitrified cement tanks
