Weingutbeschreibung

In the heart of the Ciafone district, in Offida, there is Terra Argillosa, a small artisan, organic and family winery that works on 6 hectares of land in a single body. Native and international vines have found their territorial expression here. Raffaele and Sara, husband and wife, have been leading the winery together for some years following the rhythms of nature, the expressions of their territory and looking for a way to live time with slowness and serenity. Their wines are authentic, organic, personal.
