Auszeichnungen

Gold WINE AWARD INTERNATIONAL 2023

Weinbeschreibung

Die ripe red fruits from the aromas of the grape predominate within the aromatic complexity. These primary aromas intertwine in a very elegant way with tertiary aromas such as roasted aromas and spices from a clean and subtle barrel.

Speiseempfehlung

Ideal with bluefish and soft cheeses. Red meats, white meats, big game, and feathered game, roasted or in sauce. To be served at 16°-18°C.
