Weinbeschreibung

Caelus, God of the Roman mythology, guardian of Heaven. Creator of the clouds, the winds and the rain that give life to our beloved Earth, it is the name for this Cava fruit of a unique elaboration method, far from stereotypes.

Speiseempfehlung

Its delicacy makes it ideal as an aperitive or after-dinners. Because of its creaminess and complexity, it can also accompany more satiating dishes with fish, rice or white meats. A highly gastronomic cava.

Weingutbeschreibung

1+1=3 started the trading career in 2000, although its founders were fully linked to the world of wine from a long time ago. As far as the name 1+1=3 is concerned, we set ourselves the challenge to convert our business into something more than two.
