Weinbeschreibung

Malvasia de Sitges is the Mediterranean variety par excellence adapted to the maritime Penedès for centuries. The arrival of the phylloxera and other varieties meant that you were on the verge of disappearing and it was recovered from the strains of the old vineyard of the Sitges Hospital.

Speiseempfehlung

Ideal with all Mediterranean-style dishes and raw fish such as sushi, tartar, tatakis... A good company for warm days and snacks.

Weingutbeschreibung

1+1=3 started the trading career in 2000, although its founders were fully linked to the world of wine from a long time ago. As far as the name 1+1=3 is concerned, we set ourselves the challenge to convert our business into something more than two.
