Winery description

Our production standard for absolutely "Natural" organic wines: We make no chemical treatment during all year in our vineyards, no weed-killers, no fungicides, no insecticides, no acaricides, no pheromones to attract insects, no growth hormones, no copper, no sulfates etc. Treatments are made with the infusions of plants manually. We enter with no tractor our vineyards, so we do not compress soils, all works are made by hand, of the size in the grape harvests, everything hand-made, the epamprage, the breeding, the thinning-out of leaves etc! Our musts a ...
