Weinbeschreibung

Morellino di Scansano matured in steel tank, fruity and floral bouquet with hints of red fruits and fruits of the forest. On the palate, juicy, dry, with elegant tannins with lengthly soft finish.

Speiseempfehlung

Perfect with rich pasta dishes and red meat or game

Vinifikation

Hot maceration (35°C) for 12 hours followed by fermentation at controlled temperature (max 27°C). Drawing off after 7 days of fermentation on the skins. Refining on fine lees until the malolactic fermentation is completed in November.
