Weinbeschreibung

The choice to produce Chianti Fuscelli with the use of grapes typical of the ancient Tuscan tradition, present in the historical vineyards of the company, allows us to produce a wine with a complex aromatic background but at the same time extremely enjoyable in every occasion. The fluctuating summer climate has turned into a splendid September that has enable us to harvest the grapes in their best form.

Vinification

Destemming, fermentation with maceration on the skins in thermo-conditioned stainless steel tanks. Refinement in thermo-conditioned stainless steel and vitrified cement tanks.
