Weinbeschreibung

A valuable vine variety, not very productive but generous for the intense organoleptic characteristics it gives to the obtained wine. Organic Pinot Grigio delle Venezie DOC is a still white wine of a straw-yellow colour with golden reflections. It has a characteristic fruity bouquet of acacia flowers and walnuts and on the palate it is full-bodied, persistent and harmonious.

Speiseempfehlung

Perfect with starters, risottos and first dishes with wild herbs, fish and white meat
