ORGANIC WINE AWARD INTERNATIONAL 2022 - spring

Syrah

Weingut: Batroun Mountains

bewertet am 14.05.2022

Beschreibung

Very deep and intense dark color with deep purple tint, typical from a ripe Syrah. Complex aromas of blackberry, spices, caramel and smoked meat.

In the mouth, a great structure and intense flavors of black fruits and white pepper with a pleasant acidity, powerful, a precise reflection of a great terroir.

Food-Pairing

all Grilled meats and Roast beef
