Description

Lyckeri is a dry wine from grape varieties Souvignier Gris, Donauriesling and Muscaris. Harvest was between mid to end of October. We fermented in smaller batches, in steel tanks as well as oak barrels, and blended carefully to reach a wine of intense aromas and complexity. The wine is fruity and refreshing with a pleasant character of green apple, lemon, white peach, and spring blossom. It pairs well with seasonal greens, seafood, Asian food or goat cheese. Drinking temperature 10-12°C.
