rated 06.05.2023

### Description

The Syrah grape thrives on the Sicilian soil, being cultivated for decades, providing a wine with complexity and smooth tannins, dark berries, spices and a long finish. The organically grown and hand-picked grapes are harvested from hilly vineyards located close to the sea between Marsala and Agrigento. Best serve at 16°C.

### Food-Pairing

Tonno pairs perfectly with a variation of food, from pasta and salads, to meat and fish.
